Dear Sir/Madam,

Sub: Intimation under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Partnership with KredX Platform Pvt Ltd. (KPPL) for TReDS Business.

This is to inform that Central Bank of India has announced a strategic partnership with KredX, India's leading supply chain finance platform, to facilitate Trade Receivables Discounting System (TReDS) services for MSMEs across the country. This collaboration marks a significant step toward improving liquidity and financial inclusion for small and medium enterprises.

KredX is India's leading integrated supply chain finance platform, and among the very few entities licensed by both the Reserve Bank of India (RBI) and the International Financial Services Centers Authority (IFSCA).

Under this partnership, Central Bank of India will leverage KredX's newly licensed TReDS platform, branded as DTX (Domestic Trade Exchange), to offer seamless invoice discounting services. The move aligns with the Reserve Bank of India's push to expand digital financing avenues for MSMEs and promote transparent, efficient trade receivables management.

Please take the above information on record.

Thanking you.

Yours faithfully,

For **CENTRAL BANK OF INDIA**
