'Taloja Jail not equipped to track Rao health'

Mumbai: The counsel representing the wife of octogenerian Telugu poet and Elgaar Parishad case accused P Varavara Rao began arguments Tuesday in the petition seeking bail on medical grounds for the accused before the Bombay High Court. The lawyer reiterated that even though Nanavati Hospital in Mumbai had given an opinion in its January 12 medical report that Rao was fit to be discharged, Taloja jail hospital did not have the facilities and wherewithal to continue the close monitoring of Rao's health. The lawyer sought that Rao should go back to his home in Hyderabad, where his health could be tracked. A division bench of Justice SS Shinde and Justice Manish Pitale was hearing a plea by Rao's wife, Pendyala Hemalatha, seeking his release on bail from the Taloja Jail on health grounds. **ENS**

India begins vaccine diplomacy, first doses in Bhutan, Maldives

SHUBHAJIT ROY
NEW DELHI, JANUARY 19

INDIA WILL officially begin its vaccine diplomacy on Wednesday by supplying Made-in-India Covid-19 vaccines to its neighbouring and key partner countries.

Bhutan and Maldives will be the first to get the vaccines from Wednesday, followed by Bangladesh, Nepal, Myanmar and Seychelles. Sri Lanka, Afghanistan and Mauritius will also get doses once they give necessary regulatory approvals.

A consignment containing 1 lakh doses of Covishield vaccines will reach Male on January 20. With this, Maldives, along with Bhutan, will become the first recipient of the Indian government's gift, manufactured by the Serum Institute of India (SII).

New Delhi wants to portray this exercise as yet another testament to its Neighbourhood First policy -- the government is going to brand it "Vaccine Maitri".

Pakistan has not been named as a neighbouring country which will get the vaccine though Islamabad is exploring options to get it through a global alliance or bilateral arrangements.

Announcing the move, Prime Minister Narendra Modi tweeted, "India is deeply honoured to be a long-trusted partner in meeting the healthcare needs of the global community. Supplies of Covid vaccines to several countries will commence tomorrow, and more will follow in the days ahead."

External Affairs Minister S Jaishankar tweeted, "India fulfils commitment to give vaccines to humanity. Supplies to our neighbours will start on 20th January. The Pharmacy of the World will deliver to overcome the COVID challenge." According to MEA, the government has received several requests for the supply of Indian manufactured vaccines from neighbouring and key partner countries.

"In response to these requests, and in keeping with India's stated commitment to use India's vaccine production and delivery capacity to help all of humanity fight the Covid pandemic, supplies under grant assistance to Bhutan, Maldives, Bangladesh, Nepal, Myanmar and Seychelles will begin from 20 January 2021. In respect of Sri Lanka, Afghanistan and Mauritius, we are awaiting their confirmation of necessary regulatory clearances," the MEA said in a statement.

The ministry said that the immunisation programme is being implemented in India, as in other countries, in a phased manner to cover the healthcare providers, frontline workers and the most vulnerable. Keeping in view the domestic requirements of the phased rollout, India will continue to supply vaccines to partner countries in a phased manner.

"It will ensure that domestic manufacturers will have adequate stocks to meet domestic requirements while supplying abroad," it said.

In the ongoing effort, India will continue to supply countries all over the world with vaccines. "This will be calibrated against domestic requirements and international demand and obligations, including under GAVI's Covax facility to developing countries," it said. Prior to the delivery of vaccines, a training programme, covering administrative and operational aspects, is being conducted on Wednesday and Thursday for immunisation managers, cold chain officers, communication officers and data managers of the recipient countries, both at national and provincial levels.

India had earlier supplied Hydroxychloroquine, Remdesivir and Paracetamol tablets, as well as diagnostic kits, ventilators, masks, gloves and other medical supplies to a large number of countries during the pandemic.

India has also provided training to several neighbouring countries to enhance and strengthen their clinical capabilities, under the Partnerships for Accelerating Clinical Trials (PACT) programme.

Tandav makers agree to changes

EXPRESS NEWS SERVICE
NEW DELHI, LUCKNOW, JANUARY 19

FOLLOWING A second meeting with the Union Ministry of Information and Broadcasting on Tuesday, the makers of *Tandav* said they had decided to drop certain scenes from the Amazon Prime web series. In a statement announcing the same, the makers thanked the ministry for its "guidance" on the issue.

The makers of the political drama, along with representatives of Amazon Prime, had been called for the second video-conference meeting by the I&B Ministry after they were asked to explain their stand on Monday, on the number of complaints the ministry said it had received.

The show's director, Ali Abbas Zafar, who was present for both meetings as per sources, tweeted on Tuesday evening that they will make changes to "address the concerns raised". He said, "The cast & crew of Tandav have made the decision to implement the changes to the web series to address the concerns raised towards the same. We thank the Ministry of Information and Broadcasting for the guidance & support in the matter. We once again apologise if the series has unintentionally hurt anybody's sentiments."

Tandav premiered on Amazon Prime on January 15

He added, "We have utmost respect for the sentiments of the people of our country. We did not intend to hurt or offend the sentiments of any individual, caste, community, race, religion or religious beliefs, or insult or outrage any institution, political party or person, living or dead."

This was the second statement in as many days from him. Along with producer Himanshu Mehra, Zafar had said on Monday that Tandav was "a work of fiction" and that they "unconditionally apologise if it has unintentionally hurt anybody's sentiments". They had added, "... we have been closely monitoring viewer reactions to the web series 'Tandav' and today during a discussion, the Ministry of Information and Broadcasting informed us regarding a large number of grievances and petitions received on various facets of the web series with serious concerns and apprehensions regarding its content hurting the sentiments of people".

A nine-episode political thriller that started streaming last week, Tandav stars Bollywood A-listers Saif Ali Khan, Dimple Kapadia and Mohd Zeeshan Ayyub.

On Tuesday, there were calls from several BJP leaders for action against Tandav, with PTI reporting that Haryana Home Minister Anil Vij demanded that the show be removed from the digital platform and urging the government to make a provision for censoring web series before they are screened. As per a PTI report, Madhya Pradesh Home Minister Narottam Mishra said they will file a case against Tandav makers, adding, "I condemn the way Zeeshan Ayyub, Saif Ali Khan and Ali Abbas Zafar reacted to our religion and hurt sentiments."

In Uttar Pradesh, a third FIR was filed against the series.

Airport contracts behind IndiGo staffer's murder, says Bihar DGP

SANTOSH SINGH
PATNA, JANUARY 19

BIHAR DGP S K Singhal on Tuesday said the police were close to solving Indigo executive Rupesh Kumar Singh's murder case and had zeroed in on two possible motives behind the killing. Rupesh was shot dead in front of his Patna residence last week.

At press conference on Tuesday, DGP Singh said, "We have narrowed it down to two possible reasons -- contracts allotted to his family members and relatives or a row over allotment of the airport parking lot contract. The latter looks to be the most possible reason. We are close to solving the case."
